An Important Cure by Dr. Tutt's Expectorant.

We have been informed by Mrs. Williams, grand-daughter of Gen. Israel Putnam, that she suffered for many years with Asthma, accompanied with great difficulty of breathing. Indeed, she says, it prevented her from lying in a recumbent position, and often suffocation appeared inevitable, for which she used Turr's Expectorant. The relief was so great that she was encouraged to persevere in its use until every vestige of the painful disease was entirely removed. We can not speak too highly of this valnable preparation of Dr. Tutt, and for the sake of suffering humanity hope that it may become more generally known."-Christian

This standard article is compounded with the greatest care. Its effects are as wonderful and as

satisfactory as ever. It restores gray or faded hair to its

youthful color. It removes all emptions, itching and dandruff. It gives the head a cooling, soothing sensation of great comfort, and the scalp by its use becomes white and clean.

By its tonic properties it restores the capillary glands to their normal vigor, preventing baldness, and making the hair grow thick and strong. As a dressing, nothing has been found so effectual or desirable.
